

STREAMING / INTERNET BROADCASTING

We power digital audio and video efforts to monetize, archive, and deliver your live and on-demand content.

- **AUDIO**
- **VIDEO**
- **LIVE**
- **ON-DEMAND**

PATENTED TECHNOLOGY

With 17 patents awarded, we not only continue to grow in our industry but also helped invent it.

INDUSTRY PIONEER

For 20 years we have been revolutionizing the streaming industry bringing fundamental features to both client and audience. Our experience and expertise is passed on to you.

*"...absolutely thrilled with the service and real time reporting."
- Doug Langston, KDST*

*"This is a good service...real and prompt feedback, which makes the exchange useful and truly participatory to the user."
- Eric Selten, Audience Member*

UNRIVALED CUSTOMER SERVICE

With 24/7 'Fanatical' Customer Service you can be sure you will always get an employee on the phone familiar with you and your broadcast.

RELIABILITY

With 99%+ uptime, a variety of industries including education, radio, sports, the faith-based community, independent artists and labels, and government trust SurferNETWORK for their streaming needs.

CUSTOM SOLUTIONS
